

Graduation Day

The school celebrated the Graduation Day Ceremony of students of Grade UKG in the school premises with great fervor and gaiety. The function commenced with the rendition of the welcome song by LKG students. The highlight of the programme was a skit- how to maintain discipline while boarding and deboarding the bus. It was a delight to witness their mesmerizing performances on the stage supported by props. At last, students were awarded graduation certificates. The show was heartwarming as the parents witnessed what all their children did throughout the year.

Orientation Day

The school held an Orientation Programme for the new parents of preprimary and Grade 1-5. It commenced with the address by the Principal Sir addressing the need for the dynamic education enabling enhancement of curiosity in a child. The objective of the event was to make parents familiar with the formal mode of school education. Overall, it provided a platform for the parents to get acquainted with the school and its ethos.

House Activity — Earth Day

On 20 April'19, house activity was conducted at school for celebrating Earth Day. Grade 1 and 2 did the art work, Grade 3 to 6 students did creative writing (poem writing, paragraph writing, short essay, etc.), Grade 7 to 10 students made beautiful posters and wrote slogans on the given topics. Saahas house students were given the topic- Noise pollution, Sanyam house-Land pollution, Vivek house-Water pollution and Nyaya house-Air pollution. The house boards were displayed accordingly.

Trip to Town Park, Sector 5, Panchkula

Students of Grade 1 and 2 went to Town Park, a planned garden in Panchkula to enjoy the 33rd Spring Fest. They enjoyed watching the different kinds of spring flowers and pleasant weather. They rejoiced having lunch together and played many games. They also had fun in the open Gym and play area which was situated in the park itself. They happily came back to school with cheerful memories.

Left-Handers' Assembly

The School has organized a special assembly on 5 April'19(Friday) for the left-handed students of Grade 1 to 10. The purpose of the assembly was to tell them that they are, in no way, different than the right-handers, as some people believe (mythically). In fact, they should feel proud to be left-handed.

To make that assembly entertaining, the students of Grade 1 performed a song 'You put your left hand in... and danced to it. Left-handed students of Grade 2 drew some objects. Similarly, Grades 3 to 10 performed a skit wherein they talked about some famous personalities who are or were left-handers and yet they achieved success. The Prime Minister of India, Mr Narendra Modi and the former President of the United States, Barack Obama are also left-handers. The famous cricketer Brian Lara is also a left-hander; Sachin Tendulkar uses his left hand for writing but plays cricket with his right hand. Just like them, there are many other celebrities who are left-handers and they have made their countries proud with their achievements.

Special assembly on Good Friday and Baisakhi

On April 19, a special assembly was conducted at school to celebrate Good Friday. On that day, along with the school prayer and the school song, Earth day speech was given by one of the students. Students were explained the importance of Good Friday and Easter. The school had a special assembly on Baisakhi too.
