Grade 10 Result (2018-19)

**ATS Valley School (Subject - wise highest)
Class - 10 (2018-19)**

**ATS Valley School (Subject - wise Average)
Class - 10 (2018 -19)**

As a school, we have always believed in the philosophy of all-round development of the mind and body which is why our curriculum comprises academics, sports, arts-visual and performing, scientific temper and behavioral development. We are pleased to announce that as a benchmark of academic excellence, our first grade 10 results show that academics in our school is above as compared to other schools in the region. Alongside this academic focus, we also push the students' boundaries in other areas such as extracurricular and character building. Congratulations to our batch of Grade 10. We wish them the best of luck in their future endeavors.

Visit to the Infirmary

The students of Grade 2 A and B visited the Infirmary. Under the guidance of the nurse and their class teachers, all the children enjoyed listening to their own heart beats. That was related to their E.V.S Chapter-Our wonderful body. They also visited the school's Science laboratory where they got excited to see and observe the internal organs of our body such as-stomach, heart, lungs, brain and skull.

Trip to Baddi - Richfeel

Students of Grade 7, 8 & 9 had a great learning time with Richfeel Company, Baddi. The students were showcased the process of making shampoos, oil, moisturizing creams and face packs. They did a deep analysis of cosmetic based products and its making. It was truly an effective way for the students to learn, as it generated a keen interest among them. The students appeared enthusiastic by observing the things and curiously asked many questions. It was a great place to visit and provided true learning to the students.

Inter House activity on Earth Day

On 4th May (Saturday) all the classes from grade 1 to 6 and grade 10 actively participated in the house activity. Students of Grade 1 made bookmarks, Grade 2 made envelopes and wrote messages for their mothers, Grade 3 and 4 made paper bags, Grade 5 made pen stands. All the things were made out of recycled paper which is prepared in the school itself. The students carried all those things home as a gift for their mothers on the occasion of Mother's Day. The students of Grade 6 and 10 showed their creativity by decorating their house boards on the topics Air pollution, Water pollution, Land pollution and Noise pollution.

Splash Pool Activity

Splash, splash everywhere puddles of water here and there. Water play is an inevitable part of pre-school curriculum as it helps in gross motor development and eye hand co-ordination. The little ones of Kindergarten, bubbling with excitement and enthusiasm, in their colourful swim suits thoroughly enjoyed the splash pool activity by jumping into water and splashing water at their friends.

House Activity – Fun with Aerobics

On Saturday, 18th May, 2019, during the house period, the students of grade 1 to 5 enjoyed the aerobics class under guidance of their P.E teacher and class teachers in A.V room. They also played word game, i.e making new words out of a given word.

Visit to Natural History Museum

Students of Grade 2 and 3 visited the Natural History Museum, Sector -10, Chandigarh. It is a museum with dioramas depicting early humans, dinosaur models, fossils and other geology specimens. The students saw a great collection of fossils, art and sculptures. The pictures regarding the evaluation cycle of men were shown to the students. After coming back to school, the students did a Draw and Write activity in their respective classes.

Visit to Axis Bank

Students of Grade 4 & 5 visited Axis Bank, Dera Bassi .The purpose of the visit was to make the students aware of the various digital channels available in banks these days. Presentation on the same was shown to them before the visit. They were explained the benefits of digitization. They also learnt that how the digital channels help in reducing human errors as well as save time of the customers. They were shown the various machines like Speed Banking, Passbook Printing Machine, Cheque Deposit Machine and Cash Deposit Machine.

Have a great

VaCaTion!
