## SEPTEMBER OCTOBER 2022

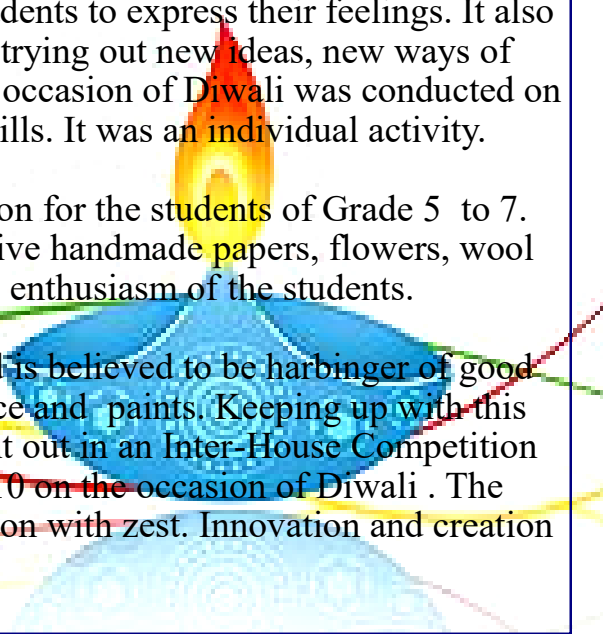

### "Diwali celebration"

1. Diya Decoration Activity was held on 21st of October for Grade 1 & 2. The main purpose of this activity was to explore the students imagination ,creativity and celebrate the festival of Lights in its true spirit. All students participated enthusiastically in the activity. They decorated the earthen diyas with beautiful beads and sparkle. It was a great experience for all students.

2. Art allows kids to develop their creativity which is important throughout their lives. While doing something creative, you allow for self-expression and this let students to express their feelings. It also fosters mental growth in students by providing opportunities for trying out new ideas, new ways of thinking and problem-solving. A “Card Making Activity” on the occasion of Diwali was conducted on 21 October, 2022 for Grades 3 and 4 to enhance their creative skills. It was an individual activity.

3. The school conducted an Inter house Toran making Competition for the students of Grade 5 to 7. The students made beautiful Torans with colourful beads, attractive handmade papers, flowers, wool etc. It encouraged and emphasized Art and Craft and boosted the enthusiasm of the students.

4. Rangoli is a traditional form that brightens up an occasion and is believed to be harbinger of good luck. Beautiful patterns are created on the floor using colours, rice and paints. Keeping up with this thought, the talent and creativity of the students was well brought out in an Inter-House Competition organized on 21st October, 2022 for the students of Grade 8 to 10 on the occasion of Diwali . The students put their best footforward and took part in the competition with zest. Innovation and creation are the words that best describes their efforts.

## Sweet lime sensory activity

On 14.10.22 Grade Foundation to UKG performed 'sweet lime sensory activity'. Children learned to peel off the sweet lime and smelled it. This activity stimulates our children's senses of touch and smell through tactile hands – on play. It also helps to develop their language skills and concepts.

## Trip to Japanese Garden

Grade 1 enjoyed a day trip to Japanese garden, Sector 31 Chandigarh. The students were amazed to see Japanese culture related art work in the garden. They also carried the picnic tiffin along with them. They relished snacks with their friends in the garden. It was indeed a memorable trip for the students.

## “KALPANA-2022”

On Saturday 8th October 2022, school's annual exhibition Kalpana was organized at the school, in which all the students of the school starting from Foundation till grade 10 participated and displayed their ability, knowledge and creativity in various fields such as art, dance, music and science. The students displayed their art, focusing on the various states and cultures of the country, India's proudest moments, interesting facts related to aquatic life, national symbols and many more. Grade 6-10 showcased live working models, science based fun games and live experiments. In the school, there was a book fair where students enjoyed reading and exploring their interests. There was a food corner too where parents and students enjoyed the pleasure of mouthwatering food. Activities such as rappelling and flying fox were also there to make students stronger in their minds and better ready to face life. The parents watched the exhibition and appreciated the work of the teachers and the students.
