

NOVEMBER—NEWSLETTER

Cow Milking Activity

Students of Grade Kindergarten of ATS Valley School, DeraBassi did cow milking activity where in they milked the cow. It leads to the development of their fine motor skills along with having lots of fun.

Teaching Honesty to Students

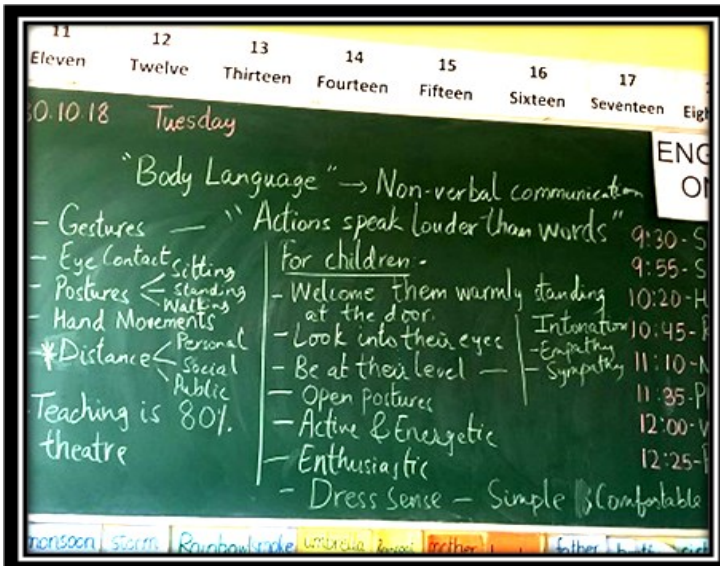

In order to inculcate the spirit of honesty, integrity and responsibility, exams were conducted for the students of Grade 9 of ATS Valley School, DeraBassi without invigilation. Students were motivated by the experience to work even better towards the values and implement them in their day to day activities.

Learning about shape Triangle

Tiny tots of Pre-Primary wing of ATS Valley School, DeraBassi had fun learning about Shape Triangle when their teachers made yummy sandwiches for them. The kids were very excited, enjoyed the activity to the fullest.

In—House Training

Teachers of ATS Valley School, DeraBassi undergo training on a regular basis on topics ranging from "How to communicate better with children" to working on the "Optimism and Happiness Index". Training on such topics by experts helps build the confidence of the teachers which ultimately leads to an increase in the efficiency and confidence level of students.

Theatre by Pre- primary

Card making—Grade 1

Students of Pre Primary wing of ATS Valley School did a role play on washroom etiquette. Through the medium of Theatre, students understood the importance of maintaining hygiene in a playful manner.

Grade 1 did “Invitation Card Making” activity based on their English Grammar Topic- “Prepositions” wherein they learnt the usage of in, on and at.

Reader of the Month

In the words of Dr. Seuss “The more that you read, the more things you will know. The more that you learn, the more places you will go.” Reading is an active habit which stimulates our imagination and increases our ability to be more empathic (showing an ability to understand the feelings of another). Books are a uniquely portable magic which students take home from the library and the students who take the most magic home get **READER OF THE MONTH**.

Yoga

To raise awareness of the benefits of practicing yoga, a special interactive session of demonstration exercises was held for students of Grade 8 & 9 at ATS Valley School, DeraBassi. An expert performed important asanas, postures and guided students to adopt a healthy lifestyle to stay fit and overcome diseases. She emphasized upon the significant role of yoga in the healthy development of youth and explained useful exercises on the occasion.

Orange Day

Tiny Tots of Pre Primary Wing of ATS Valley School, DeraBassi celebrated Orange Day at the school campus. They used sponges to colour pumpkin with Orange colour. All in all, kids enjoyed the activity thoroughly.

Inter House Rangoli Making

An Inter-House Rangoli Making Competition was held in ATS Valley School, DeraBassi on Nov 3, 2018. Students from grades 5 to 10 participated in the competition and made beautiful rangoli patterns on the floor in the parent area. Rangoli is something each of us can easily relate to as it signifies colours. The students very enthusiastically participated and showed their creativity with rangoli colours and glitters. The students made geometrical and floral patterns. Grades 1 and 2 made the rangoli patterns on a sheet of paper to show their creativity. Also, the students of grade 3 and 4 participated in a drawing competition and made drawings on the topic- "Green Diwali, Safe Diwali."

Skit "Ander NagriChaupat Raja"

Students of grade 9 of ATS Valley School, DeraBassi performed the satirical drama "Ander NagriChaupat Raja", which mocked the society and politics, to reflect the happenings in the current-day scenario at the societal and political levels. Participants seemed to be very enthusiastic and confident. Audience fully enjoyed the show.

Children's Day

Children's Day was celebrated with great enthusiasm and gaiety on November 14, 2018 by the students and teachers of ATS Valley School, DeraBassi. Students spent a memorable day at school-enjoying the special assembly and a number of activities conducted by the teachers.

The entire campus came alive with performances by teachers especially organized for the children. They were enthralled to see their teachers performing on stage in the special assembly conducted on the day.

The Principal Sir addressed the students and teachers and expressed his love for the children and wished them a blessed future.

Mock Election

Mock elections were held for grade 7 to 10 at ATS Valley School, DeraBassi. The elections were held just to give a clear picture to the students about the process of elections. The elections were held for the posts of cultural secretary, discipline secretary, sports secretary, literary secretary and cleanliness secretary. The students participated in huge numbers and with great enthusiasm. Through these mock elections, they came to know the democratic set up of the country and how the process of election takes place in India.

Pot Hanging

Students of Grade 4 learnt how to make pot hangings using natural material (jute). They used jute rope and weaved the rope by making a knot. First they cut the string into 8 equal lengths and knotted the ends after that they laid out the string on a flat surface and divided the 8 strings into 4 pairs. They took the two ends (left and right) and knotted them as well to complete the circle. By doing this they made natural and elegant pot hangings.

Sedimentation and decantation process – Grade 4

Students of Grade-4 did an activity on Sedimentation and Decantation Process. In the activity, they mixed water and mud together to show the sedimentation and decantation process. These methods are used for the separation of insoluble substances which are heavier than liquid. In the sedimentation process, heavier components of the mixture settle on the bottom, due to gravity. Decantation is followed by sedimentation. The decantation process involves pouring clear, upper liquid out of the container, without disturbing the sediment. By doing that activity they also learnt about soluble and insoluble substances.
