

JULY-2019 NEWSLETTER

Recycling - 2A & B

The students of grade 2 made houses made up of recycled paper in groups. The activity was related to the E.V.S topic, 'We need shelter'.

Quest Olympiad

The final round of Quest Olympiad was a telephonic round. In that round Rushi of Grade 3 got the 7th position in Math Olympiad and Vaidehi Sharma of Grade 2 got the 5th position in G.K Olympiad. Along with the certificates and trophies, they also got a gift hamper.

Taekwondo Open Championship

Ramanpreet Kaur of Grade 7 has made coaches, the school community and parents proud by winning Bronze medal in Taekwondo Open Championship, Oceania President's Cup 2019, held in the month of June in Australia. More than 200 participants from 15 countries took part in the championship.

Uniform colouring activity

Grade 2A and 2B did an activity related to the topic 'I love my school' in E.V.S. They were asked to imagine that how their school uniform should be according to them. A set of uniform drawn on a sheet was given to each student. They coloured it and made patterns on the uniform (shirt, skirt/ pant) in a very creative way in the art corner.

Thank you Cards

The students of Class 2 A and B made a "Thank you " card for didis and bhaiyas related to the topic "Dressing up Day" in which, the students learnt about community helpers and their importance. So, for appreciating and showing gratitude, the students made a thank you card for them in the art corner.

House Competition: Ad making

On 6.7.19, the students of grade 1 and 2 enjoyed playing a friendly football match in their house period. The students of grade 3 and 4 participated in Dodge Ball. The game was played house wise. The winner house was Vivek, followed by Saahas, Sanyam and Nyaya. The students of grade 5 to 10 enjoyed in an ad-enacting competition. The students were divided into groups and were given a topic on the spot and had to enact on the same. The winner house from grade 5 and 6 was Nyaya, followed by Saahas, Vivek and Sanyam. From grade 7 to 10, the winner house was Vivek, second was Nyaya and the third position was shared by Saahas and Sanyam.

Mask Making Activity

The students of Grade 3 made a tiger mask by using a white paper plate. The activity was related to their science chapter 'Food and Feeding Habits of animals'. They made the paper plates orange by mixing the red and yellow paint colours together.

Inter-School Spell Bee competition 2019

The Inter-School Spell Bee competition was held on 13th July, Saturday at Carmel Convent School, Sec-9 B, Chandigarh. Around 30 students participated in the competition and the six students were felicitated among them. Akshita Gupta (Gr-2 B) got the first position with cash prize of Rs.1000, Rushi Manocha (Gr-3 B) got the second position with cash prize of Rs.750, Samar Pratap (Gr-5) got the sixth position, Manan Saini (Gr 5) got the tenth position, Kanika (Gr- 6 A) got the second position with cash prize of Rs.750 and Akansha Verma (Gr-6 B) got the third position with cash prize of Rs.500. All the above mentioned students were also awarded with the certificates and medals at the venue.

Spin - o - wheel

Grade 4 A & B did an activity on how to do the divisions quickly in their minds. The students were made to sit in groups and a spin o wheel along with a dice was given. Each student had to spin the wheel on which the different numbers were written followed by rolling the dice. The pointer pointing the number on wheel denoted dividend and the number on dice denoted divisor. So, by doing the divisions quickly in their minds they had to tell the quotient and remainder. Once the student stated the answer, the rest of the students had to check whether the answer was correct or not. This way the game continued till all the students were given a chance.

Table Manners

Life skill is an essential part of the school curriculum. The theme for this month's life skill activity for grade 4 was 'table manners'. Under this theme, the students of grade 4 were taught about the basic dining etiquettes using utensils, that is knife and fork. All the students were very curious to learn and enjoyed the activity a lot.

Boxing- in activity

The activity involved all the students of Grade 5 to help them to think critically and out of the box. The chapter was divided into three sections and some information about the same from each section was written on the slips. Each student was supposed to pick one slip, read it and then put it under the correct section. It served a dual purpose of learning and fun.

Making of paper bags

The students of Grade 2 A and B made paper bags using newspapers in the art corner. The students made the bags to relate to the topic of E.V.S, 'My neighbourhood' to signify the importance of cleanliness and also to enhance the use of paper bags to save the environment. All the students enjoyed a lot in doing the same.

Activity on Multiplication

The students of grade 4 stood in a circle with one child in the centre. They were supposed to say a number from 1 to 10 while passing the ball to each student. The student caught with the ball was supposed to say the double of the number called by the student in the centre. The game continued till all the 10 numbers were called. Next, the child in the centre called out in 10s, numbers from 10 to 100 and continued the game till students had learnt about the doubles. In this way, the students had fun along with learning of multiplication in a quick way.
