Happy BFF day  
Wayne

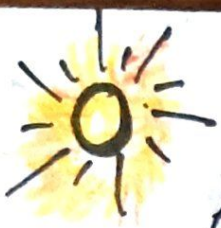

Happy BFF day  
Sasha! But why  
are u wishing me  
when we are no  
more BFFs.

Sasha you  
are now only  
my BFF I don't  
wish anybody  
else.

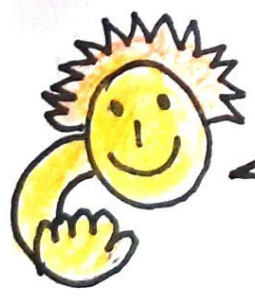

Please  
leave me  
alone  
for sometime

OK!

God please  
tell me  
why my  
friend  
died?

Sasha youe pH  
has changed and  
you have started  
staying with wrong  
people.

You need to change your pH as fast as possible. I am sending a counsellor to help you.

Thank You God!

Hi dear Sasha! I am Calcium Oxide. God sent me to help you.

Thank you for coming Sir.

To change your pH all you need to do is stay away from people like Arthur and make good friends like Wayne!

OK sir! I will surely take care.
