## AUGUST 2022

Pre-Primary

"Bigger number"

Grade UKG performed an activity on put the correct sign. Students have to choose the sign towards a bigger number or where the things are more in numbers. They enjoyed a lot while doing the activity.

Theme: Water Animal "Octopus"

Foundation students made an octopus with the help of colorful papers. They had lots of fun while performing this activity.

This activity will help them in the following ways:

- Improving fine motor skills
- Water animals recognition
- Color recognition

## Story Telling (Should I share my ice cream )

We have conducted a wonderful story 'Can I share my Ice cream?' for Grade LKG and UKG .It teaches them to share their favorite things, food and toy etc. Children participated, enjoyed and performed in role play too enthusiastically in story session.

## Buttoning and Unbuttoning Activity

Grade UKG and LKG performed buttoning and unbuttoning activity .It enhances bilateral & motor coordination, sequencing and fine motor skill. Children enjoyed the activity a lot.

## Primary – Secondary

## "Beach"

The students of Grade 4 performed social science activity on beach while studying about the Coastal plains and the islands. They drew scene of a beach using their imagination and coloured it. They enjoyed the activity a lot.

## "Miscible or immiscible"

The students of Grade 5 performed science experiments on miscible and immiscible liquids while studying about solids, liquids and gases. They took solids like sugar, salt, chalk powder and methylene blue and dissolved them one by one in water. They also took some liquids like Mazza, Rohafza, ink and juice and dissolved them in water using test tubes and beakers. Some of the solids and liquids get dissolved in water which means they are miscible in water whereas some did not get dissolved which means they are immiscible in water. This activity helped them to learn the concepts through practical experience. They were very excited about performing the activity in science lab and participated with full enthusiasm.

## Art integrated Activity -"Manuscript Making"

The students of Grade 7 made famous Manuscript which were main literary sources of Mediaeval period. They had a great learning experience about Indian History while making these manuscripts. They enjoyed a lot.

**"Science walks forward on two feet, namely theory and experiment. "**

**-Robert Andrews Millikan**

Giving students an opportunity to learn through real life experience, students of Grade 6 performed sedimentation, decantation and filtration of muddy water collected from the school ground.

It was a very fruitful learning session.

**Our world is built on biology & once we begin to understand it, it then becomes a technology**

On 4.8.22 Grade 4 students visited science laboratory and studied the human digestive system. They learnt that digestive system plays a major role in our overall health as it brings nutrients to our body. Without good digestive health, one will experience a host of uncomfortable symptoms such as abdominal pain, bloating, indigestion, and more. This was also their first visit to the lab and was informative to the students.

## House Activity

- 1.To inculcate the feelings of patriotism Flag Making Activity was held in Classes 1to 4 on 13 August 2022(Saturday) during the house activity period.
- 2.The young ones made the flag with tri colours (saffron, white, green). The children showed their earnest efforts.
- 3.Detailed information of the importance of the colours in the flags and what they represent was explained to the students.
- 4.Reading through books is not the only medium of learning but fun filled activities and competitions enhance the learning process.
- 5.Keeping this in mind the Hindi Poem Recitation Competition was organized for the students of Classes 5 to 7 on 13th August, 2022 ( Saturday) during the house activity period.
- 6.All the students participated with full enthusiasm and recited the poem with proper actions, expression and voice modulation.
- 7.An inter House board decoration competition was held for the students of classes 8 - 10 on 13th August ( Saturday) during the house activity period & the theme was "Incredible India".
- 8.Participants from each house exhibited their creativity in decorating the wall mounted boards of the corridor. They not only shared their knowledge but also showcased their interest and love for India.

## Inter house music (solo) competition

- 1.On 12.8.22 students of Grade 5-10 participated in an Inter house music (solo) competition.
2. Two students from each house participated from Junior group and 1 student from each house represented from senior group.
- 3.Students were judged on the basis of tonal quality, diction, style, confidence & rhythm.
- 4.The theme of the competition was Patriotism. Students participated with full enthusiasm and showcased their singing talent.

## Celebrations

**“It is easy to kill individuals, but you cannot kill the ideas. Great empires crumbled, while the ideas survived.” — Bhagat Singh**

1. August 15 is a red letter day in the history of India. It was on this day that our country won her freedom in 1947. That momentous day is today.
2. Independence Day was celebrated with great enthusiasm and patriotic fervor at ATS Valley School on 15th August 2022, to celebrate the 75th year of freedom from British rule.
3. This annual observance has a great significance and this special day is celebrated for commemorating our brave leaders and fighters who won us the freedom we are enjoying today.
4. The day was celebrated with great zeal and enthusiasm to help students learn more about the significance of Independence day.
5. The special occasion started with the hoisting of the tricolor by the Vice Principal and Pass out students of Grade 10 in the school premises. It was followed by the National Anthem.
6. The students participated in an array of events. To commemorate the occasion, a speech was delivered by a student of Grade 9 Avika which enthused everyone with a patriotic spirit and a sense of commitment towards the nation.
7. Mesmerizing dances were performed by the students of grade 4- 6 .They won everyone’s heart with their grace and perfect rhythmic movements.
8. Next, the children of grades 4 - 7 sang the patriotic song “Aazad hua desh hamara”, which gave a message of harmony and brotherhood.
9. A prize distribution ceremony was organised for the pass out batch of Grade 10 (2021-22) for their commendable performance in the board exams , and being a reason of proud for the school.
10. Another mesmerizing dance performance by the students of Grade 7- 10 on the theme of "Cultures & traditions of India" left everyone spellbound.
11. The Vote of Thanks was delivered by Ms. Priya She thanked everyone for being a part of the event. She also expressed her gratitude towards all for making the special occasion a memorable one.

## Pre-independence day celebration

On 13th August 2022, pre-primary section celebrated Pre-independence day.

The celebration began with Grade Foundtion song-Nanha Munna Rahi hu and Grade UKG performed patriotic dance.

Grade LKG students enjoyed while singing the song- Sare jahan se achha.

Different competitions were also held on patriotic theme.

In the end, sweets were distributed among the children which they enjoyed a lot.

## National Sports Day

The National Sports Day is celebrated every year on 29th August. Two days before on 27th August it was celebrated at the school premises, in which most of the students participated and showcased their talent by participating in inter-class and inter-house sports competitions.

Children enthusiastically participated in 100 meter race, kho-kho, shuttle run and dodge ball competitions.

The school vice principal sir and ma'am congratulated the winners and encouraged all the students to keep participating in forthcoming competitions.
