OUR OUTLOOK

- Integrated Curriculum: NEP 2020 emphasizes a multidisciplinary approach to education.
- Continued emphasis on strengthening the foundational skills, ensuring that students have a strong base in reading, writing, and mathematics.
- Emphasizes the development of critical thinking, creativity, communication, and collaboration skills.
- To foster skills, such as project-based learning, problem-solving tasks, and inquiry-based approaches to learning.
- Students have access to hands-on learning experiences, field trips, and other activities that allow them to apply theoretical knowledge to real-world contexts.
- To focus on evaluating not just memorization but also critical thinking, creativity, and problem-solving abilities.
- integration of arts, crafts, sports, and physical education into the curriculum.
