EXPLORE LEARN LEAD

OUR OUTLOOK

- **Integrated Curriculum:** NEP 2020 emphasizes a multidisciplinary approach to education.
- **Continued emphasis on strengthening the foundational skills,** ensuring that students have a strong base in reading, writing, and mathematics.
- **Emphasizes the development of critical thinking, creativity, communication, and collaboration skills.**
- **To foster skills, such as project-based learning, problem-solving tasks, and inquiry-based approaches to learning.**
- **Students have access to hands-on learning experiences, field trips, and other activities that allow them to apply theoretical knowledge to real-world contexts.**
- **To focus on evaluating not just memorization but also critical thinking, creativity, and problem-solving abilities.**
- **Integration of arts, crafts, sports, and physical education into the curriculum.**
- **Students in Grades VI to VIII should be equipped with the necessary digital skills to navigate the digital world effectively.**
